

ROMAIN DUVERNAY

VACQUEYRAS 2021 ORGANIC FR-BIO-01

SOIL TYPES:

On scrubland, rounded pebbles on clay and limestone soils.

GRAPE VARIETES:

Grenache, Syrah, Mourvèdre

VINIFICATION:

Harvest at optimal maturity (sugar and tannins). Total destemming. Classic pump-over once a day during fermenting phase. Long vatting periods of 3 weeks for Syrah and Mourvèdre and 3 weeks for Grenache.

TASTING NOTES:

Intense cherry red colour. Powerful and fresh on the nose with red and black fruits notes (blackberry) and a hint of roasted coffee aroma. Instantly round and generous on the palate. A promising vintage with good aging potential (10 to 12 years).

FOOD AND WINE MATCHING:

Serve with tender meat (lamb, veal) or grilled meat and with a selection of matured cheeses.
